Dr. Nian-Shing Chen is Chair Professor at the Department of Information Management in the National Sun Yat-sen University, Taiwan. He has published over 350 papers in the international referred journals, conferences and book chapters. One of his papers published in *Innovations in Education and Teaching International* was awarded as the top cited article in 2010. He is the author of three books with one textbook entitled “e-Learning Theory & Practice”. Prof. Chen received the national outstanding research awards from the National Science Council, Taiwan in 2008 and 2011-2013. His current research interests include assessing e-Learning course performance; online synchronous teaching & learning; mobile & ubiquitous learning; natural user interface & game-based learning. Prof. Chen is serving as editorial board members for many international journals and guest editors for more than 10 special issues of international journals. He has also organized and chaired numerous international conferences and workshops in the area of advanced learning technologies. Professor Chen is a senior member of IEEE, ACM and the Chair of the IEEE Technical Committee on Learning Technology (<http://lttf.ieee.org/>). He is Co-Editor-In-Chief of the SSCI-indexed *Journal of Educational Technology & Society*.
