

Biography

My name is Hon F. Lee, aka Humphrey Lee. I graduated from Chung Yuan University, major in Computer Engineering. Fluent in English and Chinese Mandarin.

Currently, I am a Consultant at Dynasafe Technologies Inc., a professional Information Security company, responsible for developing IT solutions of Software-Defined Network (SDN), Cloud, and/or Big Data, as well as solutions for Factory and Building Automations.

Prior to joining Dynasafe, I worked as an R&D imaging professional at Microtek International Inc. in Hsinchu Scientific Industrial Park, and then worked as a color scientist at Microtek Lab Inc. located in Los Angeles, CA, USA for 10+ years.
