

On Saturday, November 17th, 2018, the University will hold the English Proficiency Test (TOFEL ITP) for First-year Master Students.

1. Date: November 17th, 2018 (Saturday)

Time: 10:00 am to 12:30 pm

The venue will be open for entry from 9:40 am to 10:00 am. No entry will be allowed after 10:00 am.

2. Registration: Test takers should register on-line from October 22nd to October 30th, 2018.

Detailed information will be posted on the latest news of Admission Division webpage on October 19th, 2018. Test takers are advised to complete registration within allotted time.

3. Test Venue: NCU campus. Exact test venues will be announced on November 12th, 2018 at http://www.toeic.com.tw/university/university_index.jsp. To attend the test, local Taiwanese students shall present the ID card whereas overseas students will be asked to present the valid passport. No entry will be allowed for late-comers and those without the above-mentioned identification .

4. Test Takers:

(1) In accordance with “Prospectus 2018-19 for Master and Doctoral Admission through Screening Test” and “Prospectus 2018-19 for Master and Doctoral Admission through Exams,” first year master students (excluding students of In-Service Master Program) shall abide by each department’s regulations and attend this test. Students may waive the test if they have already reached the graduation requirements of the department. (more information regarding graduation requirements of the department, please see:

http://www.lc.ncu.edu.tw/main/chinese/graduation_105.php). Those who are qualified for test waiver shall submit the certification to their departments.

Each department’s regulations in taking this test are as follows:

Department	Remedial Course if failed	Other Regulations
Department of Chinese Literature (中文系), Graduate Institute of Philosophy (哲學所), Graduate Institute of History (歷史所), Graduate Institute of Learning and Instruction (學習所), Graduate Institute of Art Studies(藝術所), Department of Physics (物理系), Master Program in Biophysics, Department of Physics (生物物理碩士班), Department of Mathematics (數學系), Department of Chemistry (化學系),	Take the course “English for First Year Master Student” and Pass it.	1. Supervised Study will be applied to those who fail the test from the Department of Physics(物理系), Master Program in Biophysics, Department of Physics (生物物理碩士班), Graduate Institute of Astronomy(天文所), and Graduate Institute of Space Science(太空所). 2. Those who fail the test from the Department of Mechanical Engineering(機械系), Master Program of Opto-Mechatronics

<p>Department of Optics and Photonics (光電系), Master Program in Lighting and Display Sciences, Department of Optics and Photonics (照顯碩士班), Graduate Institute of Statistics(統計所), Graduate Institute of Astronomy(天文所), Department of Chemical and Materials Engineering (化材系), Department of Mechanical Engineering(機械系), Master Program of Opto-Mechatronics Engineering, Department of Mechanical Engineering (光機電碩士班), Graduate Institute of Energy Engineering (能源所), Department of Civil Engineering (土木系), Graduate Institute of Construction Engineering and Management (營管所), Department of Business Administration (企管系), Department of Information Management (資管系), Department of Finance (財金系), Department of Economics (經濟系), Graduate Institute of Industrial Management (工管所), Graduate Institute of Accounting (會計所), Graduate Institute of Industrial Economics(產經所), Department of Electrical Engineering(電機系), Department of Computer Science and Information Engineering(資工系), Master Program in Software Engineering, Department of Computer Science and Information Engineering(軟工碩士班) Department of Communication Engineering(通訊系), Graduate Institute of Network Learning Technology(網學所), Master Program in Atmospheric Physics, Department of Atmospheric Sciences (大氣物理碩士班), Graduate Institute of Space Science(太空所), Master Program in Hakka Social and Cultural Studies , Department of Hakka Language and Social Sciences(客社碩班), Master Program in Hakka Language</p>		<p>Engineering, Department of Mechanical Engineering (光機電碩士班), and Graduate Institute of Energy Engineering (能源所) should take “Academic English Writing LN4901” or “Engineering Japanese ME3089”.</p> <p>3. Those who fail the test from Graduate Institute of Network Learning Technology(網學所) will be assigned for readings and pass the assessment.</p> <p>4. Alternatives for master students of Mater Program in Systems Biology and Bioinformatics, Department of Biomedical Sciences and Engineering (系生碩士班) that fail the test: (1) Take the course “English for First Year Master Student” and Pass it. (2) take another English proficiency test which the result should reach the department’s standard. For more details about the approved tests and the minimal requirements, please contact your institute.</p>
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p>and Literature, Department of Hakka Language and Social Sciences(客語碩班), Master Program in Hakka Political Economy, Department of Hakka Language and Social Sciences(客政碩班), Graduate Institute of Law and Government(法政所), Department of Life Sciences (生科系), Master Program in Systems Biology and Bioinformatics, Department of Biomedical Sciences and Engineering (系生碩士班), Master Program in Biomedical Engineering, Department of Biomedical Sciences and Engineering (生醫碩士班), Master of Science Program in Remote Sensing Science and Technology(遙測學程).</p>		
<p>Department of English(英文系), Department of French (法文系), International MA Program in Inter-Asia Cultural Studies, University System of Taiwan (亞際學程), Graduate Institute of Environmental Engineering (環工所), Institute of Materials Science and Engineering (材料所), Graduate Institute of Human Resource Management (人資所), Master Program in Geophysics, Department of Earth Sciences (地物碩士班), Graduate Institute of Applied Geology (應地所), Graduate Institute of Hydrological and Oceanic Sciences (水海所), Institute of Cognitive Neuroscience (認知所).</p>		<p>Not required to participate in this test</p>

- (2) Students who admitted before the academic year 2018-19 and applied for leave of absence from the tests and students who re-enrolled in academic year 2018-19 due to suspension of study or status detainment shall all participate in the test.
- (3) First Year International master students are required to take English Proficiency Test based on the regulations of each department or institute. Students who fail the test shall take remedial measures according to each department or institute.
